**Re: Freedom of Information (FOIL) Request # 598-19
Agency Data Sharing Report**

Dear Ms. Baker

In response to the above-referenced request seeking records concerning ALPR data, the LPR program is inactive and there are no records available. No records are maintained indicating what agencies or organizations the New York State Park Police (the "NYSP") either shared or received data from. Further, the NYSP have no records of "hits" or "detections" for the years of 2016, 2017, and 2018 as you have requested in numbers 5 through 10 of the above request.

Be advised you have 30 days by which to appeal this determination of the release of records under FOIL. Appeals must be directed to Karen L. Mintzer, General Counsel, to the address contained on the letterhead or email at FOIL@Parks.ny.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Petra M. Larsen".

Petra M. Larsen
Records Access Officer
